

Meet Danielle.

Last year, she was carrying her books to school in a pillowcase. Now, thanks to Volunteers of America and supporters like you, she has a new backpack, uniform clothes, and school supplies.

**And a big boost
in confidence.**

of America®**

KENTUCKY

Educational support is like a Golden Ticket for a child in need. Your \$100 donation will provide uniforms, shoes, and a backpack full of school supplies for a child we serve.

According to the National Center on Family Homelessness, homeless children often fall behind in school. Without a home to call their own, more than 125 children living at our Family Emergency Shelter in Louisville and receiving services from our Family Housing Program in Lexington need your support. Your financial contribution or donation of school supplies will help them excel in their studies, fit in with their peers, and feel more confident in themselves and their education. Please commit to helping today!

Organize a Back to School drive at your workplace or church!

In Louisville, contact Tande Ogburn at TandeeO@voaky.org or (502) 636-4638.

In Lexington, contact Farrah Ferriell at FarrahF@voaky.org or (859) 254-3469 ext. 223.

Volunteers of America of Kentucky creates positive change in the lives of individuals and communities through a ministry of service.
